

Waka Kōpapa

LEADING TOGETHER

'TAKING the LEAD', a 4-module online course covering practical strategies for educators responsible for learners with additional needs including all Gifted Coordinators, SENCos, RTLBs, future Coordinator's and related professionals.

Waka Kōpapa were ideal for moving small groups of people together. In the same way, this leadership development course helps to move groups of educators along on their journey as leaders in gifted education, focusing on strengthening your capacity and capability for developing and leading learners with additional needs, such as gifted learners within your school or kura. Waka Kōpapa is designed to encourage networking opportunities while also providing individual support.

Modules

- 1: Roles and responsibilities**
- 2: Policies, systems, procedures**
- 3: Critical issues**
- 4: Your strategic plan**

Your commitment

For each module, participants are required to:

- **Read the module**
- **Complete a shared task on the Gifted Aotearoa online Workspace on Slack**
- **Complete an individual task, submitted by email**

Participants are also encouraged to use the Gifted Aotearoa Workspace to network and share questions, ideas and opportunities. Participants who submit all shared and individual tasks will receive a Certificate of Participation.

This free course is part of the Ministry-funded Gifted Aotearoa Network of Expertise, delivered collectively by The New Zealand Centre for Gifted Education, The New Zealand Association for Gifted Children and REACH Education Consultancy.
