

Waka Tīwai

LEARNING TOGETHER IN GIFTED EDUCATION

PRACTICAL AND COLLABORATIVE SUPPORT FOR CLASSROOM PRACTICE

A series of four regional hui for educators to network and collaborate together as a community of learners, growing regional capability to meet the needs of gifted learners.

- practical
- informative
- responsive
- collaborative

Waka Tīwai were every-day waka. They were used often and were ideal for moving small groups of people – like these Regional Network Hui. They were also used for recreation, which reflects our desire to enjoy what we are participating in.

Regional Hui Topics Include:

(Topics may vary in each region, please check the giftedaotearoa.nz website for further details)

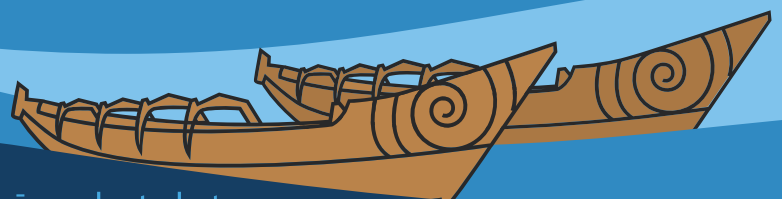

- Twice Exceptional Children: What Parents need Educators to know
- Differentiating for Intellectual Giftedness through a Culturally Responsive Environment
- Planning for Gifted Provision using a Multidimensional Model
- Engagement through a Classroom Challenge Centre
- Self Review: Determining Strength & Development Needs in meeting the Needs of Gifted Learners
- Supporting Transitions for Gifted Learners
- Cross Curricular Differentiation
- Do Gifted Students need Gifted Teachers?
- Twice Exceptional and Under-achieving Gifted Learners

Registrations now open for Hui in:
