

AOTEAROA

Waka Kōpapa: Leading together

Facilitated Modules to Support Leading in Gifted Education

1. Leading Gifted in an Inclusive World	Module 1: Putting Gifted in your School's Culture
2. Leading Gifted in an Inclusive World	Module 2: The Multi-Exceptional Scaffold
3. Leading through the Learning Support Action Plan	Module 1: The Learning Support Action Plan introduces the Learning Support Action Plan and looks at how it relates to leadership in gifted education and gifted students.
4. Leading through the Learning Support Action Plan	Module 2: Understanding the Learning Support Coordinator Role: Purpose and Principles explores the 'why' behind the Learning Support Coordinator role, and how this relates to leadership in gifted education and gifted students
5. Leading through the Learning Support Action Plan	Module 3: Understanding the Learning Support Coordinator Role: Creating Teams looks at how Learning Support Coordinators and other leaders in gifted education create teams by working with different stakeholder groups
6. Leading through the Learning Support Action Plan	Module 4: Leading and Connecting with Specialist Supports introduces a range of specialist support organisations that further support you as a leader in gifted education and helps you understand where to access further help

Currently funded by the Ministry of Education, participation covers all principals, management, teachers, GaTE Co-ordinators, SENCOs, RTLBs and Learning Support Co-ordinators in New Zealand primary and secondary schools
